## Internship

### ● Solo Yolo | Jun 2022 -Jul 2022

#### Designer & Community Manager

Worked on the UI aspect of the website and curating strategies for social media and graphic design content. Managed guests and working towards enhancing their experience and organizing treks.

### ● Dialogue 21 | Oct 2021 -Feb 2022

#### Graphic Design Intern

Worked towards creating social media graphics, videos, branding for clients and outlook for corporate events for national and international clients.

### ● Womennovator | May 2021 -Oct 2021

#### Graphic Design Intern

Worked on social media content for the brand and various start-ups which were a part of a large scale campaign, 1000 Women of Asia Awards. Managed and worked on the data for the same campaign. Creating Covind-19 awareness content which was a social media campaign initiated by the company.

## Roles and Responsibilities

### ● The Placement Cell, DSEC | Jun 2021 -Jul 2022

#### Technical Head

Headed the technical wing of the placement cell for the academic session 21-22. Worked on refreshing & creating a new outlook for the cell and handled the regular meetings, events & tasks. Organized and managed Internship fair, which is an annual event.

### ● Leo Club- UOD | Jun 2021 -Jul 2022

#### Graphic Designer

Being the part of the tech team, I worked all the graphic and digital design. During my time there, I worked on various campaigns and worked on creating an identity from scratch.
